RE: PROVISION OF VOTER EDUCATION

Your letter dated the 19th of October 2017 is hereby acknowledged.

We regret to advise that the Commission is unable to accede to your request. It may not be prudent for the Commission to rely on a stakeholders' opinion in the absence of a court declaration on the constitutionality or otherwise of a legal provision.

It is recommended that due process to amend the law be followed if stakeholders are of that conviction.

MRS CONSTANCE CHIGWAMBA
CHIEF ELECTIONS OFFICER
Zimbabwe Electoral Commission
